

Employee Handbook & People Operations Policy

Purpose

This mock employee handbook contains fictional People Operations policies for the Acme Digital organization. It is not legal advice and must not be treated as a real company policy.

Leave

Employees receive 18 days of annual paid leave per calendar year, subject to manager approval and local statutory requirements. Sick leave should be reported as soon as practical. Parental leave is administered according to applicable law and company policy.

Attendance

Employees are expected to record attendance through the company HR portal. Remote-work arrangements must follow the employee's approved work arrangement and local policy.

Benefits

Eligible employees may participate in the company health insurance and wellness programs. Coverage, eligibility and enrollment periods are described in the benefits portal. Questions about individual claims should be directed to the benefits administrator.

Holidays

The company publishes a location-specific holiday calendar each year. Employees should use the calendar applicable to their employing entity and work location.
